

On behalf of Local 2191, we are proud to endorse Yolanda McClean for President of CUPE Ontario Division.

Over the years, Yolanda has demonstrated strong, principled leadership through her service as Secretary-Treasurer, bringing dedication, accountability, and a deep commitment to CUPE members across Ontario. Her experience, professionalism, and understanding of our union make her exceptionally well-positioned to lead Ontario as the first black woman to become President in CUPE Ontario history.

We believe Yolanda will continue to be a strong advocate for workers, equity, and union solidarity, and we encourage delegates to support Yolanda's candidacy for President at Convention.
